Dear Dionne,

It has been a fantastic month here at Flaunt.... Wedding parties, Pride Weekend, and meeting more and more new faces has been great! Although it is hard to believe summer is almost here, we are welcoming the change to warmer weather, and new styles along to go with the changing season.

We hope to see all of you BEAUTIFUL people again soon!

Cheers,

Dionne, Alex, & the Flaunt team

Susie's Look of the Month

More bounce to the ounce.....

Starting with a quarter sized dollop of Styling Creme in your palm, apply the product from the root to ends on damp hair. Thickening Spray is then layered on to the roots and also dispersed throughout the hair.

You'll want a round brush for the blow out to maximize the vuh-vuh voom. Direct your blow dryer up and away from the scalp to create volume for your big sexy look. To finish, direct hair with your brush in the opposite direction of the way your hair falls and curl or flat iron for the bounce and spritz with some Spray de Mode for more hold.

To create Jane's fresh-faced foundation, April Trosko used C-Esta Light 2 foundation followed by Napoleon Perdis Camera Finish Look 2 powder.

Jane's cut and color is brought to you by our very own Jennifer Mendez.

Nice work ladies!
