Flaunt News

Our very own Jennifer Mendez recently completed the Wella Master Color program with high marks. Jennifer's commitment to the world of hairdressing knows no bounds! Great job!

Flaunt had the honor of being selected by Bumble and bumble to host in-salon education for our stylists. This is a new and exciting program that we were thrilled to be tapped for. We are constantly seeking ways to improve our craft in order to provide our clients with the best service and skill. We would like to thank our Network Educator, Lori Huitron, for organizing the class with Bumble and for being a continuing source of inspiration for our team.
